Gwynne Spencer (Children's Literature)

Designed as a beginning reader with flashcards, this is a charming little story of a girl setting up a tea party for her stuffed bear and live dog, while older brothers heckle and tease her in the background. It ends nicely with the boys joining in for tea, using their best manners. There are party ideas at the back of the book. 1997, Scholastic, \$3.99. Ages 3 to 5.
